MEMORANDUM FOR THE RECORD

SUBJECT : [REDACTED]

REFERENCE: My Memo for the Record dtd 28 Jun 63, same subject

1. Subsequent to my memorandum of 28 June 1963, the General Counsel and I gave further consideration to the possible repercussions of [REDACTED] acceptance of \$500 from confidential funds to reimburse him for his forfeiture of annuity. We agreed that, while this might well be a Department of State responsibility, [REDACTED] as an individual would not be protected. Accordingly, and after further discussions with the Director of Personnel, we decided that it would be better not to appoint [REDACTED] to a position in the Agency but rather to have the Director accept his offer of services through a letter.

2. On 9 July I showed the suggested letter to [REDACTED] and to Sherman Kent. Both of them found it satisfactory. I also read the letter over the telephone to [REDACTED] [REDACTED] who agreed that this would be a better solution to the problem. Accordingly, I forwarded the original of the letter to the Director recommending his signature.

MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

1. On 28 June 1963 I discussed again with [REDACTED]

[REDACTED]

2. Bill said that he had just received a note from his lawyers and that there was no question but that, if [REDACTED] accepted Federal employment of any kind, his total compensation could not exceed \$20,000 per annum and that it would be necessary for him to forfeit \$500 of his annuity, which is \$20,500 per annum.

3. Bill saw nothing to be gained by taking this matter up with the Attorney General or the Comptroller General. However, he said that the Department of State could and would reimburse [REDACTED] from other sources, \$500 per annum as long as he was in this status.

4. It was therefore agreed that we would appoint [REDACTED] without compensation and that the Department of State would reimburse him the \$500 of his annuity which he would be required to forfeit.
